We strive to be a learning organization and know that we're not experts in every artistic discipline, form, or technique. What might we need to know, read, research, or study to help us have a greater understanding of your work? You are welcome to list these resources and suggestions.

The Foundation's application review process often includes attending a performance or other activity, such as a rehearsal or workshop. Is there any programming you'd like us to see? Feel free to list links to performances or content on your website, YouTube, Vimeo, Instagram, Facebook, or elsewhere that you'd like us to view.
